Each beauty room has a different theme and atmosphere – Aviary, Forest Spa, Diamond, Bronze and Eclipse – Offering treatments from some of the leading names in the UK beauty industry – Clarins, Elemis, Crystal Clear, Jessica and St Tropez.

Crystal Clear Microdermabrasion

Share the celebrities' favourite skin care secret...

Ever wondered how those famous faces stay looking so young? Crystal Clear Microdermabrasion literally takes years off you by gently exfoliating the outer layers of skin.

Crystal Clear Microdermabrasion treats a vast array of skin concerns, on both the face and body, using a safe and controlled method of skin resurfacing.

The treatment provides immediate visible results for ageing skin, lines & wrinkles, open pores, blackheads, pigmentation, blemish scars, acne scars, stretch marks and much, much more.

You'll see the difference even after just one treatment, however for more problematic skin concerns a course may be recommended. With regular treatments, the skin increases its collagen and elastin formation, to give you a naturally firmer and more rejuvenated look. What's more, the gentle vacuum action gives the facial muscles a mini 'workout' each time, providing an immediate lifting effect and an ongoing improvement in tone.
